

About Aidtoolbox.org

Aidtoolbox.org aims to provide a set of easy to use cloud based tools for humanitarian aid workers to use and collaborate with.

The main landing page is a practical wiki that can [be found here](#).

For working-group coordination a Loomio forum [is available here](#).

Current work in progress:

- ODK mobile data collection

If you have suggestions what hosted service would be useful for your work, please let us know.

Our work is volunteer based and our hosted services are completely free to people active in the humanitarian sector.

Paid consultancy work might be available in the future for more complex tasks.
